

CCC Newsletter # 06-13

Happy June Everyone! Well now it starts . . . the car show season is well underway! I hope you are all looking forward to washing; waxing; vacuuming; driving (or trailering) and showing!

Some where in between wash'n 'n wax'n, here's another attempt to amaze and befuddle you with more automotive trivia. I came across this one, and have to admit it is a little different . . . What year was the first DUI arrest? The answer is at the end of this newsletter.

Before we move onto the shows, here's a little quiz my wife put together for her column, Creative License, in our club newsletter. All you have to do is match the personalized plate with the car she saw it on;

1/ LIL PIG	6/ 1FST FSH	11/ TEABURD
2/ FLAUNT	7/ SYZMDRS	12/ THECRWN
3/ 4AGDTYM	8/ GOATN	13/ BIG FIN
4/ THE WEE 1	9/ R THNG	14/ 427 SC
5/ GITYUP	10/ NAGSCAB	15/ TUFFCAT

Here are the cars:

VW Thing _____	Smart Car _____	Porsche _____
Horse Trailer _____	Sunbeam Tiger _____	Rolls Royce _____
GTO _____	Mustang _____	Pink Metropolitan _____
Mini Cooper _____	Thunderbird _____	Barracuda _____
65 Cobra _____	60 Fury _____	Crown Victoria _____

The correct matches are at the end of the newsletter.

Now I want to move from the fun, to the serious; **US Senate Bill 344**. This is a bill to "prohibit the Administrator of the Environmental Protection Agency from approving the introduction into commerce of gasoline that contains greater than 10-volume-percent ethanol, and for other purposes."

We all know the danger to older engines that can be caused by using "E10" gasoline; the risk of damage is even greater when burning E15. Please take the time to contact your Senators and let them know your support of this bill. Go here for the text of the bill: <http://legiscan.com/US/text/SB344/id/765620>.

Answer to the trivia question; Would you believe it occurred in 1897! A London cab driver crashed his electric taxi, was arrested and fined 20 shillings. Goes to show that drinking and driving didn't pay then, and doesn't pay now.

Now, here are the correct matches to "Cre8tiv License".

Here are the cars:

VW Thing__9__	Smart Car__4__	Porsche__3__
Horse Trailer__10__	Sunbeam Tiger__15__	Rolls Royce__2__
GTO__8__	Mustang__5__	Pink Metropolitan__1__
Mini Cooper__7__	Thunderbird__11__	Barracuda__6__
65 Cobra__14__	60 Fury__13__	Crown Victoria__12__

With that, I think we're done for the night! Please keep me posted on car shows, car events and car clubs that should be listed here!

Thanks, and remember; if you wish to be removed from this distribution list simply bounce it back with "remove" in the subject line.
